

## 3000 PREMIER SERIES

The 3000 Premier POU Series is offered in classic stand up and compact countertop models. They feature a sophisticated filtration system that contains multiple stages that provide clean purified water, and stainless-steel tanks to maintain water temperature. The 3000 Premier Series also has a high-quality LG compressor, large dispense point for easy refills, and a faucet that can withstand 400 lbs of pressure.

### Easy to Clean

Made with durable and easy-to-clean materials.

### Child Safety Lock

Hot water safety lock keeps the family safe from accidental burns.

### Large Dispense

Easily refill mugs, glasses, and sports bottles.

### Sleek & Compact

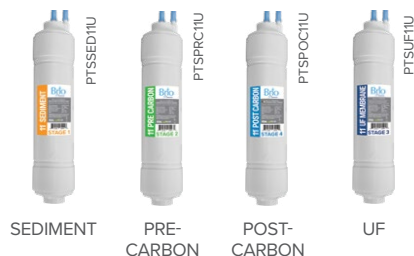

The 3000 Series features a curved design, high-gloss finish, and a 17" height that fits under most cabinets.
